GABRIEL W. GORENSTEIN, UNITED STATES MAGISTRATE JUDGE

The parties previously failed to timely comply with the Court's Order requiring submissions before a court-ordered conference under Fed. R. Civ. P. 16 (see Docket # 10). Now the parties have not filed any summary judgment motion by the date they requested and that the Court so-ordered (Docket # 12). It appears that the only remaining step in this case is a trial. The parties shall file the pretrial order materials required by section 4 of Judge Carter's Individual Practices on or before June 14, 2023.

If any party in the future seeks an extension of the deadlines ordered in Docket # 12, the Court will consider such an application only if made as a formal motion compliant with Local Civil Rule 7.1(a) that, in addition to a memorandum of law, includes a sworn statement specifying all efforts that were made to comply with Docket # 12.

SO ORDERED.
